Every family has special traditions. They are things we do, eat or celebrate that are important to us.

Draw a picture or write about your family traditions.

1 A special meal we eat.

-----  
-----

2 A holiday we celebrate.

-----  
-----

3 A family activity we enjoy.

-----  
-----

4 Something special we do together.

**Remember!** Traditions help families feel happy, connected and part of something special.
