

# Fact or Opinion?

A **fact** is something that is true and can be proven.

An **opinion** is what someone thinks or feels.

Read each statement. Decide if it is a fact or an opinion.

Circle your answer.

- |   |                            |                               |
|---|----------------------------|-------------------------------|
| 1. The sun rises in the east.               | <input type="radio"/> FACT | <input type="radio"/> OPINION |
| 2. Football is the best sport.              | <input type="radio"/> FACT | <input type="radio"/> OPINION |
| 3. Dogs have four legs.                     | <input type="radio"/> FACT | <input type="radio"/> OPINION |
| 4. Chocolate ice cream is the best flavour. | <input type="radio"/> FACT | <input type="radio"/> OPINION |
| 5. Australia is a country.                  | <input type="radio"/> FACT | <input type="radio"/> OPINION |
| 6. Reading is more fun than homework.       | <input type="radio"/> FACT | <input type="radio"/> OPINION |
| 7. Rainbows are beautiful.                  | <input type="radio"/> FACT | <input type="radio"/> OPINION |
| 8. Snow is cold.                            | <input type="radio"/> FACT | <input type="radio"/> OPINION |
| 9. Pizza tastes better than pasta.          | <input type="radio"/> FACT | <input type="radio"/> OPINION |
| 10. Bees help flowers grow.                 | <input type="radio"/> FACT | <input type="radio"/> OPINION |

**TIP:** If it can be proven true, it is a fact.

If it tells how someone thinks or feels, it is an opinion.
