Answer the questions.

## CHOC CHIP COOKIES

This recipe makes 12 cookies.  
These are the ingredients you need:

Flour

2 cups

Sugar

1 cup

Butter

125 g

Chocolate  
Chips

1 cup

Eggs

2

Vanilla  
Extract

1 tsp

### HOW TO MAKE THE COOKIES

-  Wash your hands.
-  Put the flour and sugar into a bowl.
-  Add the butter, eggs and vanilla.
-  Mix everything together.
-  Stir in the choc chips.
-  Roll small balls of dough onto a tray.
-  Bake with an adult's help.
-  Enjoy your cookies!

### MATHS IN THE KITCHEN!

We can count, measure and solve problems every day! ♥

### ANSWER THE QUESTIONS

- How many cups of flour do you need?
- How many eggs are in the recipe?
- How many cups of sugar do you need?
